

We are set to deliver over 45,000 books into the hands of local students during the 2014 -2015 school year!

We believe there is nothing more fundamental and inspiring to a child than reading!

Our desire is to make a wide variety of high quality children's books available to your students and their families.

Schedule A Book Fair with Once Upon A Time Books!

We appreciate partnering with schools to fulfill our mission... to get as many books into the hands of as many children as possible.

Since our books are only \$1.00 each, having a Once Upon a Time Book Fair ensures that more students can afford to have a book of their own and teachers can afford to supplement their classroom collections of children's literature.
